

Aluminum Building Products - Service Excellence

SHAPES Unlimited, Inc. is a privately held fabricator / wholesale distributor of aluminum building products serving our core Northeast, Southeast and Midwest markets and expanding services to the western U.S. Since its founding in 1996, SHAPES has provided a variety of aluminum extrusions to the window, door, fencing and railing sectors. With in-house fabrication, powder coating facilities and fence panel and gate assembly, we can deliver the breadth of components, along with ready-to-install products to a customer's facility or job site. By sourcing our products from suppliers, both domestically and internationally, we can provide our customers with the required quality, JIT service, competitive pricing and value-added supply chain solutions.

From our new state-of-the-art 80,000 square foot manufacturing and distribution center, utilizing advanced manufacturing and robotic assembly equipment, we offer a variety of programs to suit our customer's quality and proprietary product/program needs via customized stocking programs and key account "Master Supply Agreements".

Vision: We are the regional market leader in differentiated aluminum products and service solutions to the building products industry. ***98% On-time and complete shipments.***

Mission: We are consistently challenging the status quo to develop value-added products and business solutions to meet our customers' evolving needs. ***On-line order management capabilities.***

Values: With an empowered organization, using our values system to make our company and each team member successful as we strive toward our vision. ***All SHAPES team members compensation tied to customer satisfaction metrics.***

Reinforcements

Benefits of Aluminum

- Strength & Durability
- Corrosion Resistance
- Aesthetics
- Recyclability
- Design Flexibility

Aluminum Extruded Screen Frames & Hardware

- Rails
- Corners
- Springs
- Clips

Aluminum Fence, Gates & Handrails

- Residential & Commercial
- Assembled In-House or Knock Down
- PrimeAlux Aluminum Slat Systems
- Fully Welded
- Stainless-Steel Fasteners
- Powder Coat Finish
- Pool Code Fencing
- Container Direct Shipments Available

Aluminum Window & Door Reinforcements

- Interlocks
- Mullions
- Grids/Muntins
- Rails
- Handle Assembly
- Corners
- Glazing Bead
