ALUMINUM BUILDING PRODUCTS

Built for Real Life

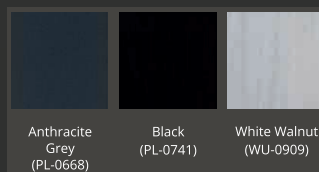

- **All-Aluminum Construction:** No rust, rot, or warping
- **Polyurethane Foam Core in Slats:** Lightweight yet durable, up to 107mph windload
- **UV-Stable Powder Coat:** Fade-resistant, low-maintenance finish
- **Precision Assembly:** Designed for fast, secure installation
- **Zero Maintenance:** No sealing, staining, or sanding — just rinse, wipe and relax

Nine Signature Finishes

6 Standard Finishes

3 Premium Finishes

Choose from natural woodgrain patterns or bold modern tones like black on black or white walnut on white — all in a durable, fade-resistant powder-coated finish.

You Choose the Configuration

- **Privacy** - a clean, full-coverage slat layout
- **Privacy Plus** - the ultimate in privacy and security
- **Semi-Privacy** - ideal for airflow, visibility, and light

Mix finishes, spacing, and orientation to create a one-of-a-kind outdoor space.

Also Available

- **Privacy Screens** - modular accent panels for flexible layout
- **Pergolas** - coordinated aluminum structures for shade and design impact
- **Railing** - coming soon
